- Teaching Associate, Department of Political Science, University of the Philippines-Diliman, June 2008 to May 2009

PROFESSIONAL EXPERIENCE (2007-2023)

RESEARCH FOR IMPACT, Singapore, October 2020 – March 2023

- Senior Policy Researcher. Responsible for helping organizations and communities conduct qualitative health systems and policy research
- Director (Communications). Responsible for developing RFI's communications strategy, creating and managing content for Research for Impact's website and social media accounts and other external communications.

Ateneo Policy Center, ATENEO DE MANILA UNIVERSITY, Philippines, September 2020 – November 2021

- Senior Researcher. Lead role in survey instrument development, data analysis and research writing of a 12-month project funded by the International Union Against Tuberculosis and Lung Disease (The Union) titled "Strengthening Pack Warnings on Tobacco Products in the Philippines". The project aims to strengthen pack warnings in the Philippines by evaluating the current impact of graphic health warnings, and the potential impact of standardized packaging in the country.

WORLD HEALTH ORGANIZATION, July 2020- September 2020

- Investigator. Part of the team of Investigators for the Scoping Review of the harmful use of alcohol related to cross-border alcohol marketing, advertising, and promotional activities to support the work of the Alcohol, Drugs and Addictive Behaviors unit (ADA) at WHO Department of Mental Health and Substance Use in developing the technical report on cross-border aspects of the harmful use of alcohol.

Lee Kuan Yew School of Public Policy, NATIONAL UNIVERSITY OF SINGAPORE

- Research Associate (Dean's Office), October 2018 to September 2020 (Research Project: Economic Principles for New Models of World and Regional Order). Assisted the Dean of the Lee Kuan Yew School in the research for his book project on world and regional order.

- Research Associate (Global Health Policy), January 2017 to September 2018 (Research Project: “Contemporary issues in global health and global health governance”). Collaborated with and provided research and teaching assistance to Professor Tikki Pang in order to identify the key technical issues and subsequent policy challenges to governments in five areas: antimicrobial resistance, noncommunicable diseases, outbreaks of infectious diseases, climate change impacts on health, and ageing societies, and the role of international agencies and other stakeholders in providing effective governance frameworks for collective action
- Research Associate (Health and Social Policy), September 2015- September 2016. Conducted desk research on global health policy and the relevance of the social sciences for global health, as well as on the interdependencies between water governance and global health, with particular case studies on various cities in Southeast Asia. Drafted grant proposals on social sciences and global health education

ASEAN Socio-Cultural Community Scorecard 2015, ASEAN SECRETARIAT

- Consultant, July 2015 – September 2015. Compiled and conducted the analysis of data on health development and disaster relief and management from ASEAN member countries on their development in terms of meeting the objectives of the ASEAN Socio-Cultural Community (ASCC) Blueprint. Collated the various sections from other consultants to compile the ASEAN Socio-Cultural Community Scorecard 2015 for presentation and reporting to the ASEAN Secretariat. The project output resulted in the publication of the ASCC Scorecard 2015.

S. RAJARATNAM SCHOOL OF INTERNATIONAL STUDIES(RSIS)

- Centre for Non-Traditional Security (NTS) Studies, Senior Analyst July 2013- June 2015; Research Analyst, 30 July 2012-June 2013. Provided research and administrative support to the Head of the Centre for NTS Studies. Conducted desk and primary source research and analysis for various research programmes, primarily on health security, environmental sustainability and climate security, movements of people (human smuggling and trafficking, and forced migration), nuclear disarmament and non-proliferation and Southeast Asia's regional politics and governance. Conceptualised, organized, managed and served as the main liaison for related events (seminars, workshops and talks) for the various research programmes
- Institute of Defence and Strategic Studies, US Programme, Student Research Assistant, August 2011 - May 2012, Provided research and rapporteur assistance to the Head of the US Programme (under the Student Research Assistantship Award concurrent with the MSc Asian Studies programme at RSIS)

DEPARTMENT OF NATIONAL DEFENSE, Office of the Assistant Secretary for Strategic Assessments (OASSA), Republic of the Philippines

- Research Officer, April- June 2011. Conducted desk research, and political and strategic analysis for the Assistant Secretary for Strategic Assessments
- Represented the Assistant Secretary in various meetings, and coordinated with various offices within the Armed Forces of the Philippines and the Department of National Defense for the PRC Defense Ministerial Visit in 2011 at the Philippines' Department of Foreign Affairs

COUNCIL OF ASIAN LIBERALS AND DEMOCRATS, (CALD), Secretariat (Philippines)

- Project Officer, August 2010-October 2010: Conducted desk research to review the Council of Asian Liberals and Democrats Party Management Workshops since 2007 and identify best practices of member-parties; Drafted the Council of Asian Liberals and Democrats Best Practices Handbook on Party Management
- Programme Officer, February 2010-April 2010; Organized the Council of Asian Liberals and Democrats Conference on Education in Colombo, Sri Lanka as part of the Secretariat
