

## How to join the live stream

Join the live stream:

<https://ethz.zoom.us/j/253320154>

It is recommended to download and install the Zoom client beforehand:

<https://ethz.zoom.us/support/download>

You can join a test meeting to test your audio settings:

<https://ethz.zoom.us/test>

If you are not able to install the client, you can also join from your web browser (current versions of Chrome/Edge/Firefox/Safari are supported):

<https://ethz.zoom.us/join/253320154>

We recommend to join a few minutes in advance to test the connection. Once in the webinar, you can ask questions with the Q&A-Feature. If you have questions about lectures or webinar, write to [agne.ulyte@uzh.ch](mailto:agne.ulyte@uzh.ch).
