SSPH+ Annual Meeting

FORWARD WITH NEW ENERGIES

Winterthur, 7-8 May 2024

“Call Best published PhD article in public health 2024”

CALL FOR THE BEST PUBLISHED PHD ARTICLE IN THE FIELD OF PUBLIC HEALTH

The Foundation Swiss School of Public Health (SSPH+) is promoting knowledge, skills and competencies in the field of public health. As a part of its effort to strengthen the PhD education in Switzerland, the SSPH+ is awarding the best published PhD article in the field of public health sciences.

Beneficiaries:

- » PhD students who are registered in the **SSPH+ Inter-university Graduate Campus**

Requirements:

- » The PhD student is **first author** of the article which is part of his/her PhD thesis
- » The article is of **relevance for public health**
- » The article (written in English) is published in (or accepted by) a **peer-reviewed journal**
- » The date of publication (or acceptance) is between **March 1, 2023 and February 29, 2024**
- » Only **one** article per PhD student will be accepted

Award:

The winner of the best published PhD article will receive an award of **CHF 2'000.-**.

Evaluation:

The submission will be evaluated by a panel consisting of experts from international academic public health institutions.
